GEN. BELL'S ART TREASURES SHOWN

Weapons and Other Objects Belonging to Late Soldier Will Be Sold.

2 INTERESTING PISTOLS

With One He Captured Three Members of Philippine General's Staff.

military reputation achieved by the late Major-Gen. James Franklin Bell, but the arms and weapone for the most part, but all the pieces in the display evince taste of a high order, and will interest artists as much as anthropologists. In

Three times recommended for the ngressional medal of honor-the highest reward for valor which is conferred by this Government and probably more ult to attain than any other in the world-for daring reconnaissances under fire and the capture single handed under tre armed only with a Mauser pistol, of three members of a Philippine General's staff, these deeds of individual prowess suffer only by comparison with his accomplishment—less spectacular but of greater military value."

Pair of Mauser Pistols.

This quotation lays unique interest, particularly to Gen. Bell's friends, upon item No. 56 in the collection, which is no less than the identical pair of Mauser pistois, one of which served him upon the momentous incident in the wilderiess just mentioned. They are magained to the Spanish war model of the Spanish was mod

and waterproof containers.

Gen. Bell began collecting, no doubt, when he made his first trip to the Orient, for although all the South Sea for No. 423, a Swiss sixteenth century territories, including Japan, have consword.
